FOREWORD

Another year has passed and another year-book is before you. The 1928 Tucsonian is only one chapter in the history of T.H.S., but the Staff this year has endeavored to make this chapter a strong and impressive one, one of importance and value to the great story of our school. But, yet, as it is only one, we leave it to those who will come after us, to "Carry On."

Dedication

There is, in Tucson High School, a person who has for four years given countless hours of work for the advancement and benefit of dramatics, and who has always supported us in every possible way. To Miss Lillian Cavett, instructor in Dramatic Art, the Senior Class of 1928 most respectfully and whole heartedly dedicates this Tucsonian.

In Memoriam

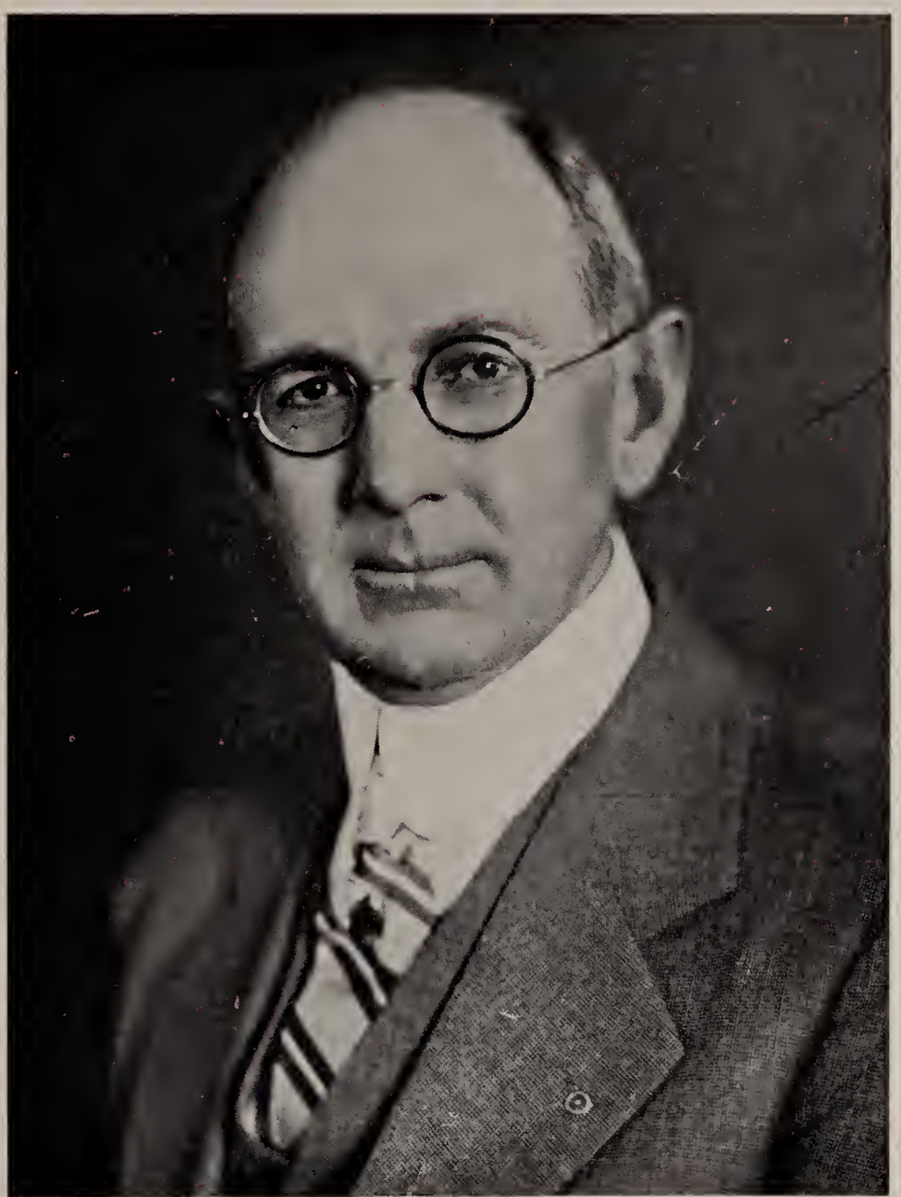
As the past year has slipped by, it has taken with it certain of our friends, leaving behind places that it has been impossible to fill. It is with kind thoughts that we remember them, so to those of our class and faculty who have passed on to the life beyond we lovingly dedicate this page.

Mrs. Phoebe M. Bogan

Miss Ruby E. Chapman

Sabra Woodruff

George Carey



Mr. C. E. Rose is a pioneer in the field of educational leadership, and a man of outstanding achievements. Through his remarkable foresight and vision we have been privileged to attend one of the finest high schools in the country. As well as being a most admirable and competent superintendent of public schools, he has inspired us much in all activities by his unfailing interest and enthusiasm.

To Mr. O. W. Patterson, our principal, we owe a debt of gratitude and appreciation which we shall try to pay by holding, as we go through life, the splendid ideals he has instilled in us as our leader, advisor, and counsellor. Mr. Patterson is a man of fine intellect, a true educator, and possesses in a high degree the ability to inspire and encourage his students. We shall always remember him as our friend.

Seniors

Four years ago there occurred in this school a history making event. The class of 1928, the very first to set out from this great airport, the new Tucson High School building, boarded its big red and white monoplane for a four lap tour of the Land of Learning. Each May has seen those flyers complete another lap of their great flight until now the trip is almost a thing of the past. But as we look back over the craft's course, we cannot help note the innumerable landmarks which the 28'ers have left behind, and as the plane glides back and forth through the sky to spell out the words "success" and "achievement" we realize what this class has done for Tucson High and what good old Tucson High has, in turn, done for this class. Athletics, contests, publications, dramatics, music, in fact every activity of the school has been supported by members of this year's graduating class, and it is with sad hearts that they realize the time has come for them to leave their good ship "T. H. S." and that their happy experiences in this institution will be but memories, never to be forgotten.

The 28'ers have been piloted on their flight by four groups of officials. As Freshmen they were led by Donald Smith, James Norris, and Virginia Roberts. The next year James Norris, Paul Roca, Zelda Shields, and Everett Bryant did their part for the class, while on the third lap the plane was guided by Paul Roca, Robert Love, Eleanor Ludy, and De Witt Willis. And now, on the last and most successful lap of all, the class is being piloted by Clarence Wollard, president; Bruce Knapp, vice president, and Mary Reirdon, secretary-treasurer.

Juniors

In the fall of 1925 a new aeroplane entered the race for supremacy in T. H. S. It was the "Spirit of '29," manned by members of the then newest class, who, although green, immediately began to win recognition. One of the many notable things they did was to win the Freshman-Sophomore oratorical contest. In their Sophomore year, the second phase of the non-stop flight to graduation, they continued to win innumerable honors. On almost any banner one may choose to examine, he will find the numerals '29 prominently displayed. Having crossed the calm blue waters of the first two years they entered the wild and stormy realm of upperclassmanship, and became the high and mighty Juniors. Samuel Adams was chosen master of the good ship '29, Harold Bivens and Ernestine Childs, co-pilots. However, Sam climbed up the rope-ladder of the Senior class aeroplane and became a member of the clan of dignity. Then Jack Ryland became pilot and steered the plane over Ireland, where they held the Junior prom on St. Patrick's Day. Mr. Van Horn, Mr. Gridley, Mr. McFarland, and Miss Brazelton set the beacons to prevent the ship from steering off its course. Many workers labored long and hard to keep the "Spirit of '29" in prominence. Thirty-three Juniors worked on the Chronicle and among the different editors was Paul Roca, editor-in-chief. Actors, too, were not lacking, for two of the leads in the all-school play were Juniors, and many more were in the cast.

Judging from the happenings in the former years, when the crew of the "Spirit of '29" reach their goal, they will have broken all records on the non-stop flight to graduation.

Sophomores

In September 1926, the Class of 1930 landed in Tucson High on their way to University. They were and still are a fighting bunch of workers.

Soon after they stopped, they more or less got into the way of things and were asked to compete with the Sophomore Class in the Annual "Red and White" Contest. The results were in the favor of the Freshmen which they, of course, were then.

In 1927, the same class was still here, evidently liking Tucson High School quite well. Consequently, they competed in the football, the Red and White, and the Tucsonian Contests, emerging each time with the long end of the score. Having liked Tucson High from the first, they have been, are, and always will be as loyal as possible.

In 1930, they expect to be on their way, yet they are positive that they will have been the most loyal supporters Tucson High School has ever seen.

Freshmen

At the beginning of the school year 1927-28, we hopped in our planes at various points and made record trips to our hangar, Tucson High School. Verdant, as usual, we soon learned and began to take a prominent part in high school activities. We had entered school thinking we were the most important class, but the upper-classmen soon showed us our error.

We Freshmen were quite easily identified at the beginning of school as we wandered about the halls hunting classes. Since we were determined not to be left out of anything, we soon took in consultation, where we found some very instructive but not pleasant experiences.

In October we chose our class officers, and showed our excellent judgment by electing Bob Gillum, president; Wanda Kendrick, vice-president; Betzy Tuthill, secretary; and John Rauscher, treasurer.

Not wishing to disappoint our upper-classmen, we have lived up to our reputation—green, dumb, blind. Yes, we're green, but *growing!* We have a live bunch and we intend to do some high and long-distance flying in the next three years!

Oratory

With unusual interest and enthusiasm, oratory came to a climax this year when Katherine Dodge, a mid-year senior, was awarded first place on her speech, "A Man Without a Country." In her oration, which was on the Indian, she emphasized the necessity of a better understanding of those first Americans, stressing especially the need of educating them to the American language and ideals and then making them feel they have a definite responsibility in the United States.

According to the usual custom gold, silver, and bronze medals were given to the winners, Katherine Dodge, Don Smith, and Paul Roca being awarded first, second, and third places respectively in the Junior-Senior contest. As the Tucsonian went to press, the Freshman-Sophomore and the Constitutional contests had not yet been staged, but interest was high in both, and a large number entered in each event.

Oratory was inaugurated in Tucson High School by Miss Alice Vail when she came here eleven years ago, and it has been largely to her untiring efforts and her sacrificial work with the orators that this activity has reached the prominent place it now holds in the school. Tucson High should indeed have a deep feeling of gratitude for her labors.

Junior-Senior Oratory Club

The Oratory Club organized this year with a record membership under the leadership of Tom Murphy, president: Byron Mock, vice president, and Paul Roca, secretary-treasurer. The officers of the Junior-Senior branch of the organization were: Monroe Vreeland, president; Donald Smith, vice president; Eleanor Ludy, secretary; and Paul Roca, treasurer. Miss Alice Vail acted as advisor for this section. Freshman-Sophomore leaders were: Marjorie Moore, president; George Murdock, vice president; Bob Gillum, secretary; and Inez Ludy, treasurer.

Roca Adams Miss Davidson Mock

Debate

Under the able training of Miss Myrna M. Davidson, the Tucson High School Debate team has had a very successful year. Originally about forty students tried out for this activity and from this number a squad of six boys was chosen. They were, Byron Mock, Harrison Davies, George Murdock, Leon Seigle, Paul Roca, and Samuel Adams.

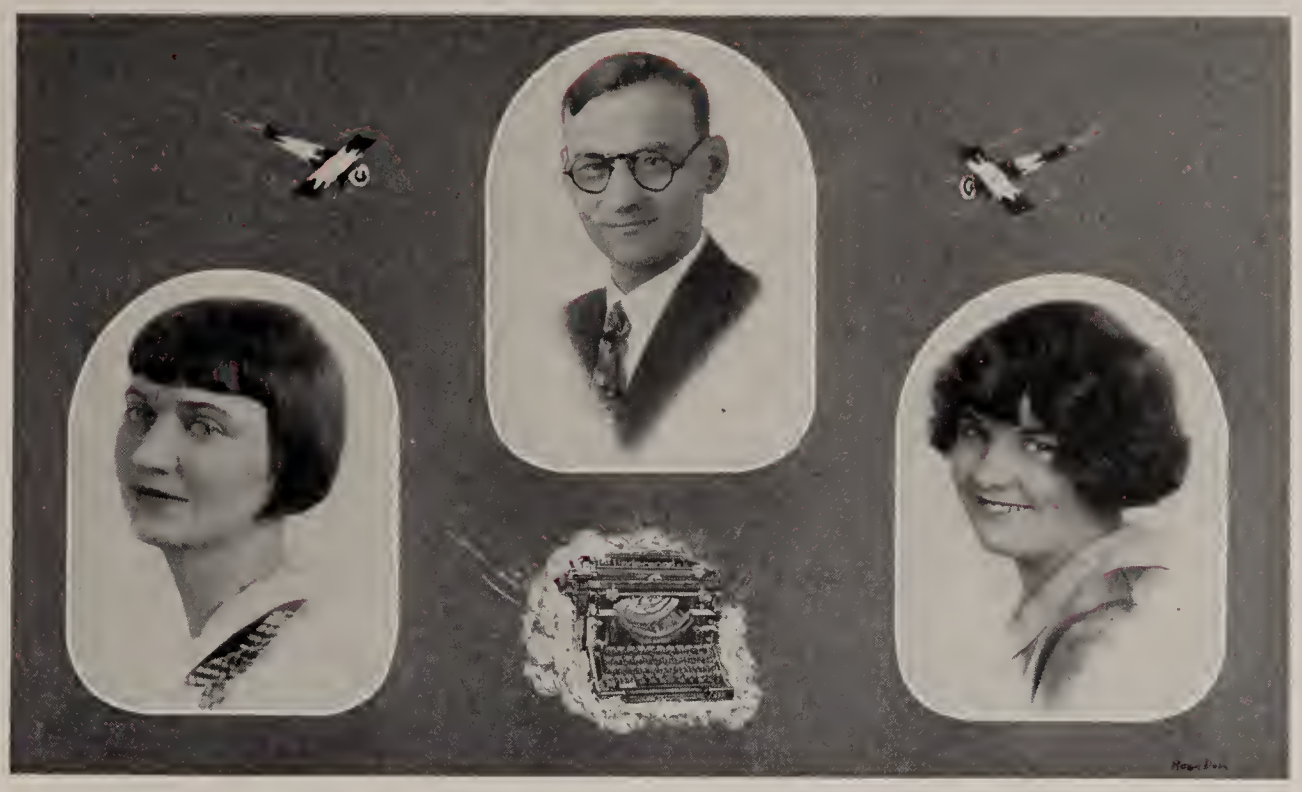
The state question chosen by the Arizona Debating League, of which Tucson High School is a member, was, "Resolved: That the United States Government should own and operate the coal mines." Hence all the debates were on this one question.

On December 9 a practice debate was held with Phoenix High School in thhe Capitol City. Byron Mock and Harrison Davies represented Tucson in this contest. The decision was rendered by one judge, who decided for the negative, which was upheld by the Phoenix debaters.

The first league debate of the season for Tucson High School was held at Bisbee, with the Bisbee team taking the affirmative side of the question. The decision of the judges was two to one in favor of Tucson. Bisbee had previously defeated Douglas, so that when Tucson won from Bisbee on March 9, T. H. S. became the Southern Arizona Debate Champion. In the Bisbee contest the Tucson team was composed of Paul Roca and Samuel Adams.

On March 31, Roca and Adams met the Morenci debaters at Morenci and there again were victorious, winning by the vote of the single expert judge. This victory gave Tucson the Inter-sectional championship of the Southern and Eastern districts of Arizona along with the right to meet the championship team of Northern and Central Arizona for the State Championship. This debate will be held during University Week.

A great deal of the credit for the successful year is due to the splendid work of Miss Davidson, Tucson's coach.



Hardy Koepp Mote

Tucson High School Typing Department

During the past year, the typing department, under the competent direction of Mr. Koepp, has turned out some splendid material. Last fall a team composed of four members from Tucson High School entered the International Novice Contest held in New York City.

Helen Mote, winner of third place in the Arizona State Contest of 1927, placed fifth in the International Contest with a record speed of 77 words per minute.

Marjorie Hardy, Arizona State Novice Typing Champion, placed eleventh in the same contest with a speed of 74 words per minute. Because of her excellent typing ability, Marjorie was selected by the Underwood Company to join its expert demonstration class.

The other two representatives from Tucson were Irene Leon and Hannah Duke. Irene placed second in the State Contest and eighth in the International Contest with a speed of 75 words per minute, while Hannah placed fourth in the State Contest.

Robert McBride was the fifth member of Tucson's team who entered the State Novice Typing Contest last spring. These five hold the world's record for team work in that they all wrote more than 60 words per minute in the spring contest. Prior to that time, no high school had produced a team composed of more than three members who were each able to write at this speed.

In view of Mr. Koepp's past success, a great deal is expected of Tucson High School's contestants for 1928. This team will be composed of five of the following: Maurice Anderson, Mary Contreras, Elizabeth Hanks, Flora Bell Reed, Monica Rodee, Riftin Rodgers, Rose Rodriguez, Harriet Rosenfeld, Betty Ruthrauff, Margaret Smith, and La Verne Sundin. The second year team will be composed of Helen Mote and Hannah Duke.

The Tucson High School Band

This has been one of the most successful years the band has ever had. Under the capable direction of W. A. Sewell, the band has played innumerable times for parades, luncheon clubs, benefit shows, and in concert.

The special Glee Club of sixteen voices, chosen from the larger organization, placed first in the Southern Arizona Music Contest held this year in Bisbee. The soprano soloist, Genevieve Nidever and the Girls' Quartette also won first place.

This group furnished material for several of the leading roles and all of the choruses in the operetta, "Once in a Blue Moon." The club organized at the first of the year with Pauline Fairweather, president; Ruth Middleton, secretary, and Evelyn Kerr, treasurer. This organization has for several years belonged to the State Federation of Music Clubs, an honor given only to those who represent and appreciate good music.

Appreciation is also to be extended to the excellent accompanists, Belva Kibler and Ruth Middleton.

Charles Farrell, tenor soloist, placed second, while Clarence Wollard, baritone, placed first. The male quartette, composed of Charles Farrell, first tenor; Clarence Wollard, second tenor; Gilbert Ronstadt, first bass, and Jean Sherrard, second bass, also won first place. Jaye Marney, accompanist, won the piano solo event. All of these awards helped toward the winning of the big silver cup which was brought home in triumph. To this chorus also belongs half the honor of the Mixed Chorus banner which was won at the contest.

"Once in a Blue Moon"

In December the combined efforts of the vocal music and dramatic art departments made possible one of the finest exhibitions of student talent in many years. This took the form of a musical comedy entitled, "Once In a Blue Moon," written by Noble Cain. The plot was laid in the home of a wealthy family in California. An air of mystery prevailed throughout the operetta, and the series of exciting incidents kept the interest of the audience from the time the curtain rose until the grand finale.

The entire cast did fine work. The character parts were particularly well done. Jack O'Dowd and Merle Moore, who played the Frenchman and Englishman respectively, won the prizes offered by the University for the best sustained acting during the performance. The chorus work was unusually attractive, with clever dances and beautiful costumes.

Miss Madge Utterback and Miss Lillian Cavett Coached the production and deserve a great deal of credit for its success. Miss Harryette Sandford originated and trained the dancers. Miss Alice Vail, with her usual skill, made-up the cast in a manner which added greatly to the success of the production.

"The Fortune Hunter"

The popular four act comedy by Winchell Smith entitled, "The Fortune Hunter," was presented as the All-School play March 22 and 23 in the High School Auditorium. The humorous dialogue intermixed with the pathos of some of the incidents gave a variety which held the attention of the audience from the beginning until the final curtain.

Two casts were coached for the production. Adona Smith and Marjorie Sullinger played the feminine leads on the 22nd and 23rd respectively, while Robert McBride played the masculine lead both evenings.

Credit for the remarkable success of both performances is due largely to Miss Lillian Cavett, dramatic coach, and to Mr. Bertram Morse of the University of Arizona, who aided her in every way possible. Both casts deserve commendation for their splendid co-operation with their coach and for doing all in their power to uphold the standard of good theatricals made in former years by Tucson High School casts.

The scenery and lighting effects were managed by Mr. Wayne Crutchfield.

"Peg O' My Heart"

Seldom does a high school cast have the opportunity of interpreting such a delightful play as "Peg O' My Heart," by J. Hartley Manners, which was given as the Senior Class Play in April. This popular three act comedy has received an enthusiastic reception every place that it has been produced and gave promise of being one that would be remembered for years as a huge success by Tucson High School.

There has been a great deal of competition for the part of "Peg," and as the Tucsonian goes to press three candidates are still working for the part. These are Mary Reirdon, Mary McCarty, and Evelyn Kerr.

"Dramatic Owls"

The Dramatic Owls, the High School dramatic organization, comprising all students enrolled in Dramatic Art and those who have been in some dramatic production, has been unusually busy this year, and their activities have been carried on in various fields. The club has given four productions at Pastime Park for the World War veterans. This has been greatly appreciated and those taking part in entertaining the sick soldiers feel amply repaid. Five one act plays have been given throughout the year in assemblies. Every one of these has been very successful and has made the student body realize what a powerful dramatic organization Tucson High School has. In addition to this, the club has given programs at both the Boys and Girls Social Hours, and at the various Civic Clubs of the city.

Three members of the organization entered the Dramatic Art contest. They were: Irean Mulis, dramatic reading; Helen Welch, humorous reading, and Edgar Welch, extemporaneous speaking.

The members will produce two one act plays during the last week of school, in order to raise money for the Student Body.

The High School Sign Shop

Ashes to ashes,
Dust to dust;
If it weren't for Mrs. Buckner,
We artists would rust.

Yes, that is what the Artists say, but it should be: "What would Tucson High do?"

Art has an educational importance very often overlooked. To appreciate it, it is necessary to understand it in every way possible. Some think it is but a waste of time, but if proper thinking is given to it, it is found that Art is as old as the human race, or rather it is a universal language understood by all nations. The history of Art is also the history of the manners and customs of people in all periods and countries. In contains a vivid narrative of the development of ideas and ideals, and gives us a key to the story of mankind often more valuable than any written record. Long before men learned to write, they were striving to express in concrete form their faith and their fears, their ideals and their hopes. Crude monuments to the dead, figures carved in bone, horn, and ivory, and drawings upon cave walls are among the most valuable records we possess of the civilization which existed before the dawn of history.

The High School Sign Shop has developed much in these past few years as pupils are becoming more and more interested in the subject, much to the credit of Mrs. Ottilie T. Buckner, art director. Besides making posters for the school plays and making the art work for the Annual, the department receives orders from such outside sources as The Woman's Club, University of Arizona, Chamber of Commerce, etc.

The Art students have entered many contests and usually carry away the prizes. Last year, besides winning many local prizes, an all-state poster prize, and the prize for the program cover for the Greenway Field Day at Phoenix were won by our Art Department. Three of our Art students, in competition with professional artists, have made designs for trade-marks accepted by business men. Among these are designs for Southern Poultry Association, Tucson; Investment Company, Chicago, and Snowlene Gasoline Company, Tucson.

Chemistry Club

President - - - - - - - - Grant Prina
Vice President - - - - - - - Paul Porter
Secretary-Treasurer - - - - - Eugene Peterson
Advisor - - - - - - - Mr. Don Van Horn

Under the supervision of Mr. Van Horn and the three "P's", the Chemistry Club has carried on its work successfully this year. The club was organized by the students receiving one's or two's and by a vote, those receiving three's were admitted. The purpose of the club is to promote a greater interest among the chemistry students, and to take up more extensively outside occurrences in the chemical world.

In the Annual Essay Contest, the chemistry students more than fulfilled the instructor's wishes, by taking nine first places in the state contest.

Tucson High School should indeed be proud of its Chemistry Department, for it has the distinction of having had a student who, after winning the state contest in 1927, won the national contest. May Dunn, with her excellent essay on "The Relation of Chemistry to the Home," achieved this great honor. As a result she will be entitled to a college education at the expense of the National Chemistry Society.

The members are as follows: Mary Ahearn, Curtis Anderson, Maurice Anderson, Norman Austad, Edward Breazeale, Hugh Caldwell, Billy Campbell, Robert Fink, Irvin Gee, Dorothy Greiner, Dorothy Halderman, Johanette Heidel, George Henderson, Nancy Huntsman, Alyce Hudspeth, Velma Ice, Theron Johnson, Randall Legler, Dorothy Linn, Gladys Lott, Eleanor Ludy, Karl McClure, Margaret Meyer, Edwin Montgomery, Wilbur Mulcahy, Leonard Nally, Jack O'Dowd, James Pound, Alfred Ransome, Mary Reirdon, Virginia Roberts, Peter Ross, Leon Seigle, Ferrin Solomon, Alice Stillman, Merle Stowe, Ava Stover, Katherine Tenney, Carl Tisor, Robert Wilkinson, Leland Wilson, Leonard Woods, and Fred Van Camp.

Kadet Club

Walter Chambers	Commanding Officer
Ruth Middleton	Liaison Officer
Patrick Hollis	Finance Officer
Harold Rupkey	Personnel Officer
Alfred Ransome	Adjutant

The Kadet Club, an organization of the Military Department of Tucson High School, carried on its work this year in a successful manner. It was organized in the fall of 1926, and has steadily grown into a strong and influential organization. The object of the club is three-fold, Military, Scholastic, and Social. In order to be eligible for club membership, a cadet must excell in military command and leadership, and have a creditable scholastic record.

A number of the members took a prominent part in the military events of Greenway Field Day, held April 14.

Rifle Team

Rifle shooting is a sport that has advanced as much during the past few years that it is almost impossible to realize the extensive progress it has made. In many of our leading high schools it has been taken up with compensative results.

Our Rifle Team came into existence three years ago. The team was a pioneer in this line and nothing great could be expected of them. Each year they have grown better and better and now they appear to have the finish of Camp Perry veterans.

The rifle teams, unlike any major sport, works the year around. Their members are in strict training like athletes a month before the state matches at Ft. Huachuca. For the first time in the history of T. H. S. minor letters were given. Only six of these were ever issued. Last year's team was composed of: Herbert C. Chambers, Howard L. Fink, Harold Rupkey, Charles Blenman, Walter Chambers, and Harry Chambers.

In the state calibre .30 matches this team was sixth in the state at 1000 yards, and second in the state at 600 yards. They were in competition with the 10th Cavalry, 25th Infantry, National Guard, University of Arizona, and the best civilian clubs in the state. That same day they beat Douglas High School by 82 points.

This year's team is composed of Harry Chambers, Charles Blenman, Walter Chambers, Clarence Thomas, Harold Rupkey, Howard Fink, and Kenneth King. So far, this team has completely shattered previous T. H. S. Team records, and the State Championship can be expected of them.

The Hearst Trophy Match and the 8th Corps Area Match have already been shot off with good results. These are the Team's only .22 calibre matches.

Harry Noon Renshaw and Lt. Woody have succeeded in raising this team to the expert class by their competent coaching.

French Club

The French Club was organized this year for the purpose of stimulating a greater interest in the French language among the members of T. H. S. Under the direction of Miss Ferguson, it has given the students of that language a great deal of experience and knowledge in the way of debating and other oral practices.

Only those in the French class are full-fledged members with the right to vote. They elected as officers: Clarence Wollard, president; Winona Rupkey, vice president; Catherine Tenney, secretary-treasurer; Marie Bopp.

Girls' Social Hour

President - - - - - - - -	Helen Mote
Vice President - - - - - -	Ruth Abbott
Secretary-Treasurer - - - - -	Mary Reirdon

The Social Hour is an organization of all the girls of the Tucson High School, which aims to create a more democratic attitude among all girls, and to foster higher ideals throughout their school career. A meeting is held once a month where a program is given, consisting of talks from prominent persons and entertainments furnished by the girls. Following the program refreshments are served and dancing is held in the gym.

A new feature in the Social Hour this year is an executive committee consisting of a representative from each reporting group, elected for the purpose of discussing Social Hour problems. These representatives bring every girl a little closer to the organization.

Through this organization, topics of interest to the girls are discussed. The two outstanding ones this year were: questions of modern youth, as set before us by Dr. Barker; and the middie and skirt question.

Among the special programs of the year are: The Christmas Mixer of both girls and boys; the Alumni Mixer; and the Annual Fashion Show, presented by the Senior Girls.

The Boys' Social Hour has been in action this year under the same name, "Los Vaqueros." The Executive Committee is composed of six members, elected in the following manner: two from the Senior class, two from the Junior class, and one each from the Sophomore and Freshman classes.

The purpose of this organization is to make the boys feel at home and become better acquainted with their fellow students, together with helping them work with the school and its authorities. One of the most helpful things we have done is to establish a peppy, active, and willing rooting section in the school.

Some of the events this organization has sponsored are a boxing match, a lecture by Dr. Barker, a peppy Christmas program and mixer, an Alumni mixer, and a real Fashion Show.

Tuc-Hi

President - - - - - - - -	Martha Kepner
Vice President - - - - - -	Katherine Dodge
Secretary - - - - - - - -	Monica Rodee
Treasurer - - - - - - - -	Ruth Rodee

With a record membership of one hundred and twenty, the Tuc-Hi club, the Girl Reserve organization of T. H. S., is completing the most successful year of its history.

Starting with the mixer for all the girls of the school, the program has included many varied activities. At the close of the membership campaign a candle light initiation ceremony was held. During the Thanksgiving and Christmas seasons, baskets of food and clothing were taken to needy families, while several programs have been given at the county hospital. Discussion meetings, picnics, and banquets have proved popular among the members. Banquets given during the course of the year include a Christmas banquet at which Miss Esther Mae Carter, State Girl Reserve Secretary, was guest of honor; a father-daughter Easter banquet, and a mother-daughter banquet at which next year's cabinet was installed.

The Christmas assembly was given by the Hi-Y and the Tuc-Hi clubs together, while the Tuc-Hi cabinet gave a demonstration of the organization's work at the Y. M. C. A. and Y. W. C. A. open-house program New Year's Day.

The club has had as one of its chief aims this year, the earning of money to send delegates to Iron Springs. The girls sold Alaska suckers, candy, and soda pop at all the home football games, held the concessions at the rodeo for one day, and entertained with a silver tea to which the public was invited, so the Iron Springs fund is now large enough to help send many to the summer conference. Their next year's leaders will prepare to do their part in carrying on the work of Tuc-Hi.

Hi-Y

OFFICERS

President	Curtis Anderson
Vice President	Jack Ryland
Secretary	Alfred Ransome
Treasurer	Major Brodie

Although the Hi-Y Club was not quite as active as it had been in the past years, if its services and benefits to the school are to be considered, it will be immediately seen that a very successful year has gone by. This boy's club in the high school has, as its purpose, the creation, maintainence, and extension of high standards of Christian character throughout Tucson and in Tucson High School.

During the past year, the Hi-Y Club held a meeting every Monday evening at the Y. M. C. A. At these sessions social, devotional, and moral questions were discussed. It gave the fellows a place to "let off steam," so to speak, and in this way were the benefits of the club best extended. Lectures, discussions, tests, games, ceremonies, and refreshments were the features of these weekly meetings.

The club also gave several social functions, among them a picnic and a "Ladies Night." In addition to this, the Hi-Y co-operated with the Tuc-Hi girls in giving a Christmas Assembly. Near Easter it was the good fortune of the club to present a nationally known speaker in assembly.

Under the splendid guidance of Mr. Neil V. Bullion of the Y. M. C. A., the Hi-Y reports a flourishing and increasing membership.

The "T" Club

President - - - - - - -	Arthur Caid
Vice President - - - - - -	Tom Murphy
Secretary-Treasurer - - - - -	Charles English

In order to revive interest in athletics in Tucson High, to assist the coaches in unearthing new material, to sponsor all social functions connected with athletics, and to form a club for the purpose of discussing questions pertaining to athletics, the "T" Club of Tucson High School was organized. Coaches McFarland, Gridley, Van Horn, and Tolson acted as sponsors of the club and helped greatly in making it one of the most influential organizations of the school.

A charter was drawn up and a constitution adopted. Arthur Caid was unanimously elected president. Tom Murphy was selected as vice president and Charles English made secretary and treasurer.

Among the active members were: Arthur Caid, Tom Murphy, Charles English, Loren Curtis, Byron Mock, Bruce Knapp, Jack O'Dowd, Glenn Trammel, Howard Abbott, Pete Kusianovich, Arthur Pelaar, Clarence Wollard, Fred Van Camp, James Weinzapfel, and Maurice Booher.

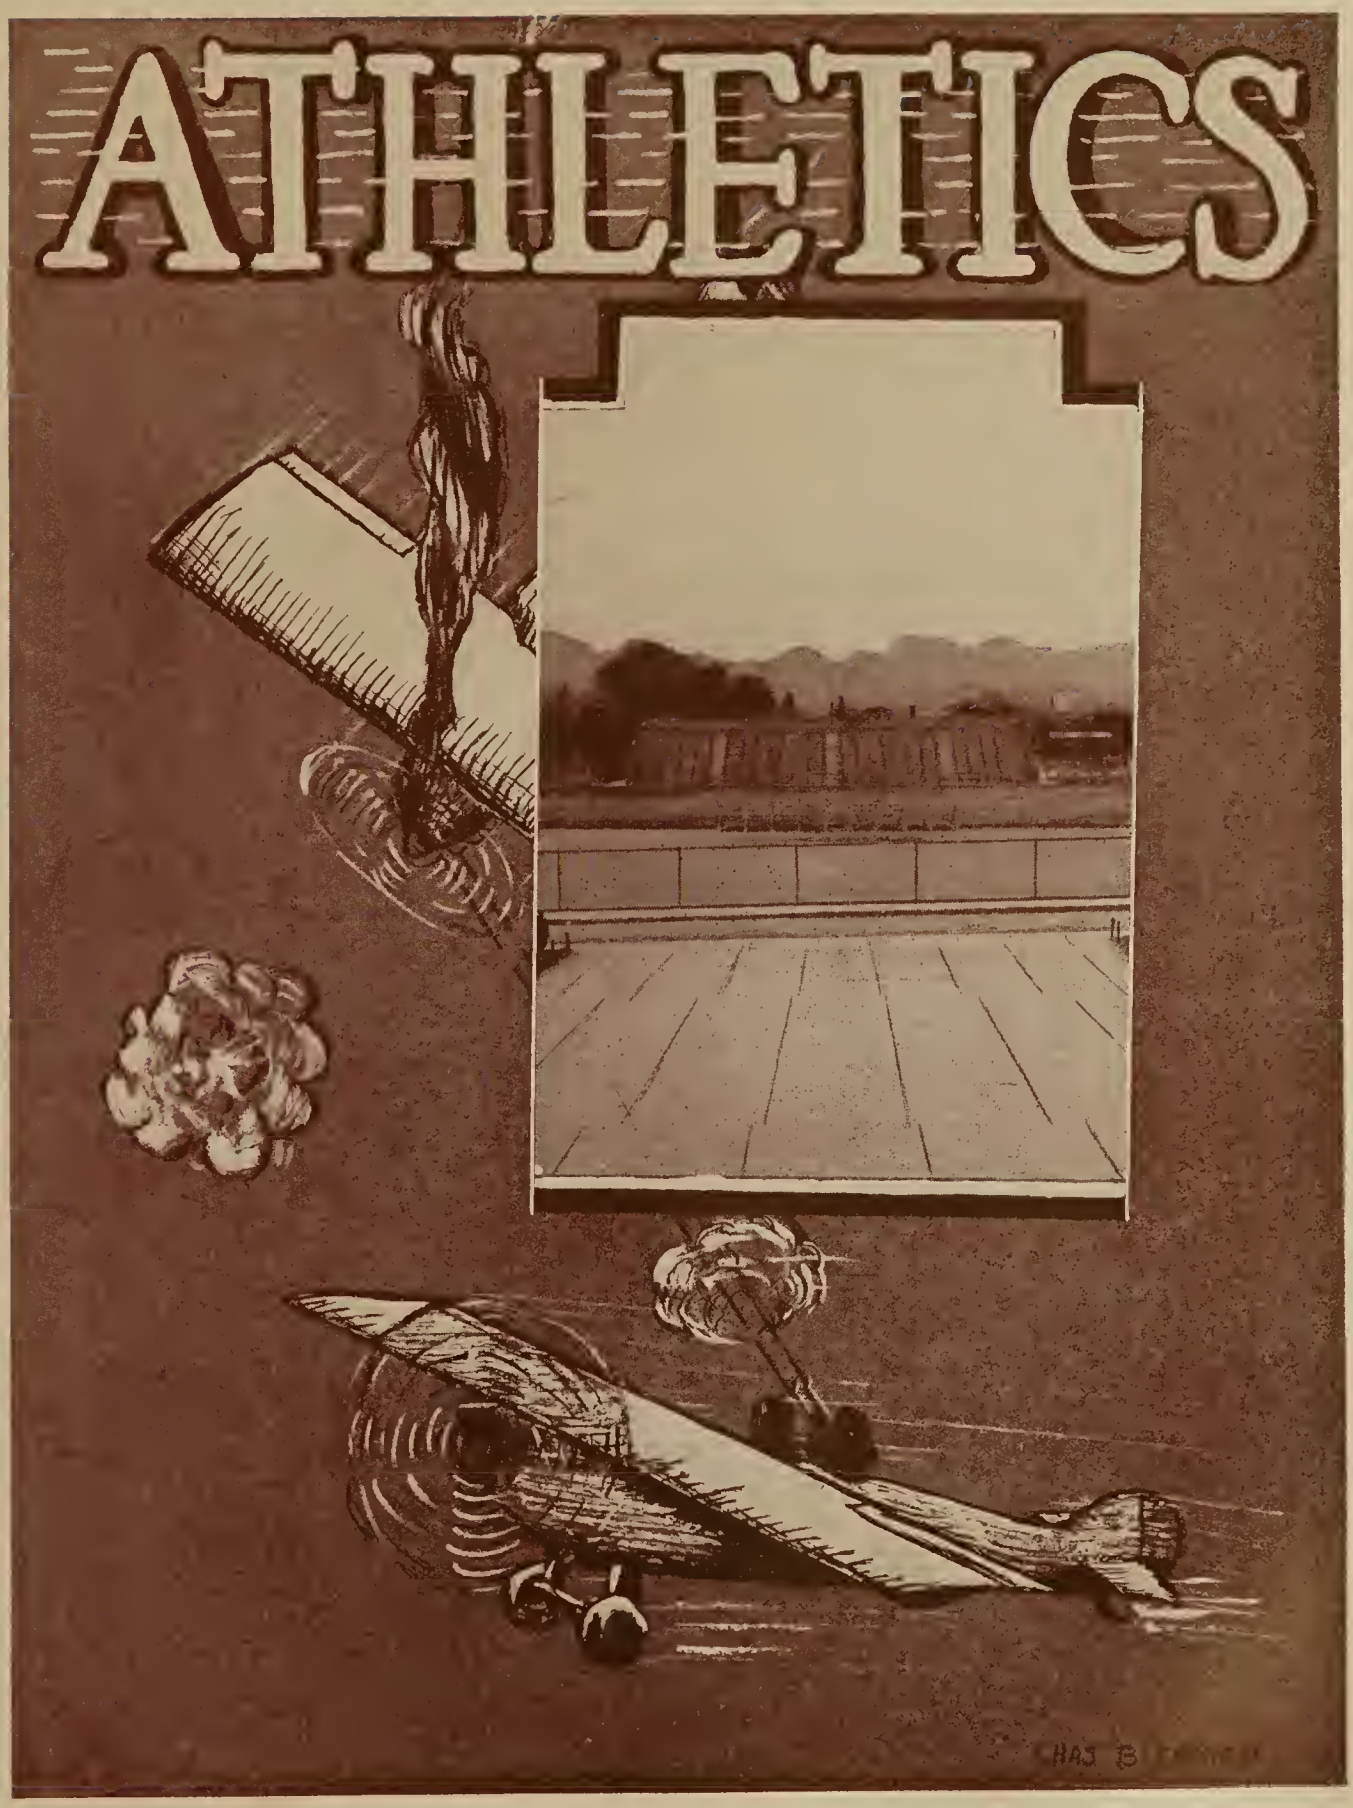
ATHLETICS



Coaches

L. L. McFarland

Coach McFarland guided the football team through a very successful season. When the gridiron sport was over, he served as assistant coach for the basketball and baseball squads and sponsored the tennis and golf teams.

R. T. Gridley

Gridley made his debut in Tucson High School by turning out a basketball team that was a strong contender for the state title. His other athletic connections included his work as assistant coach in both football and track.

Don Van Horne

Coach Van Horne has the distinction of being one of the two Tucson coaches who have turned out a state championship track team. Besides his track men, Van Horne also worked with the scrubs during football season.

Andy Tolson

Andy Tolson again proved his ability as a baseball coach by turning out a good team and, during the year, a Tolson-coached nine upheld the honor of Tucson High School. Football was his sideline.

Bisbee	6	Tucson	72

Only the Badger's ancient rivals, Phoenix and El Paso, managed to put across wins on the home team. After a disastrous first quarter, the Tucson lads outplayed the Coyotes for the rest of the game, but the damage had been done and Tucson lost 13-0. El Paso, on its home field, won a hard earned victory. Douglas was beaten 13-12 despite the dope, and the season was ushered out with a smashing 72-6 walk-away at the Bisbee Pumas' expense.

Capt.-Elect JACK O'DOWD

Center

This big 220 pounder was just fitted for his position and held it down in a creditable manner. Next year he should———. Well, just keep your eye on Jaek and don't be surprised.

JAMES WEINZAPFEL

End

Jimmie was about the smallest man on the team this year, but what he lacked in size, he made up for in fight and nerve. His place will be hard to fill.

Capt. ARTHUR CAID

Quarterbaek

"Butch" finished his high school football career in a b'aze of glory. This sturdy little puarterback went like a whirlwind this year and, as a reward, was placed on the all-state team.

TOM CAID

Halfback

Tommy's place will certainly be hard to fill next year. He played a stellar brand of football in the past season. He went especially hot at Nogales and will long live in the memories of those who saw the fray.

JACK ANDERSON

End

"Mechanic" was the most consistent end we had this year. He made the all-state as a result.

MAURICE BOOHER

Guard

Booher is a three letter man, having landed a first team berth, back when the four cowboys of T. H .S. were on the rampage. He was a second a l-state man.

BRUCE KNAPP

Guard

Bruce went out for football for the first time this year. He started out on the second team, but was soon given a first team position.

CHARLES ENGLISH

Guard

Charlie seemed to be a small man for such a large job, but when people saw him in action, they stopped wondering.

HOWARD ABBOTT

Tackle

Howard was a new man to Tucson this year, coming from Texas, where he had a good deal of football experience. He held down his job in great style, and the good part of it is, he will be back next year.

TOM MURPHY

Fullback

This was Tom's first year with the first stringers. He was a good line plunger and was good on tackling. He will be remembered for the game he played against Mesa.

GLENN TRAMMELL

Halfback

"Dizzy" started the season at end position, but as soon as he got a chance to show his backfield ability, he was shifted. He played good football and always kept a cool head.

LAWRENCE BOOHER
Tackle

Lawrenee was a sub taekle and one who was dependable. When he did get to play, he gave it all he had.

BYRON MOCK
Halfbaek

Byron made his first letter in football this year. He was a dependable man and was always good for yards. He has another year in school.

EZEKIAL MUELLER
Fullback

"Zeke" was only a Sophomore this season, but his display of football ability proved to the coach that he should be given a first team position.

ARTHUR PELAAR
Tackle

Art did not get to play in many games, as he reeeived a broken leg in the El Paso game, but while he was playing he made it tough for his opponents.

LOREN CURTIS
Quarterbaek

Loren helped "Butch" out at quarter, and did so in good style. He was fast and used his head. The Douglas game saw him at his best.

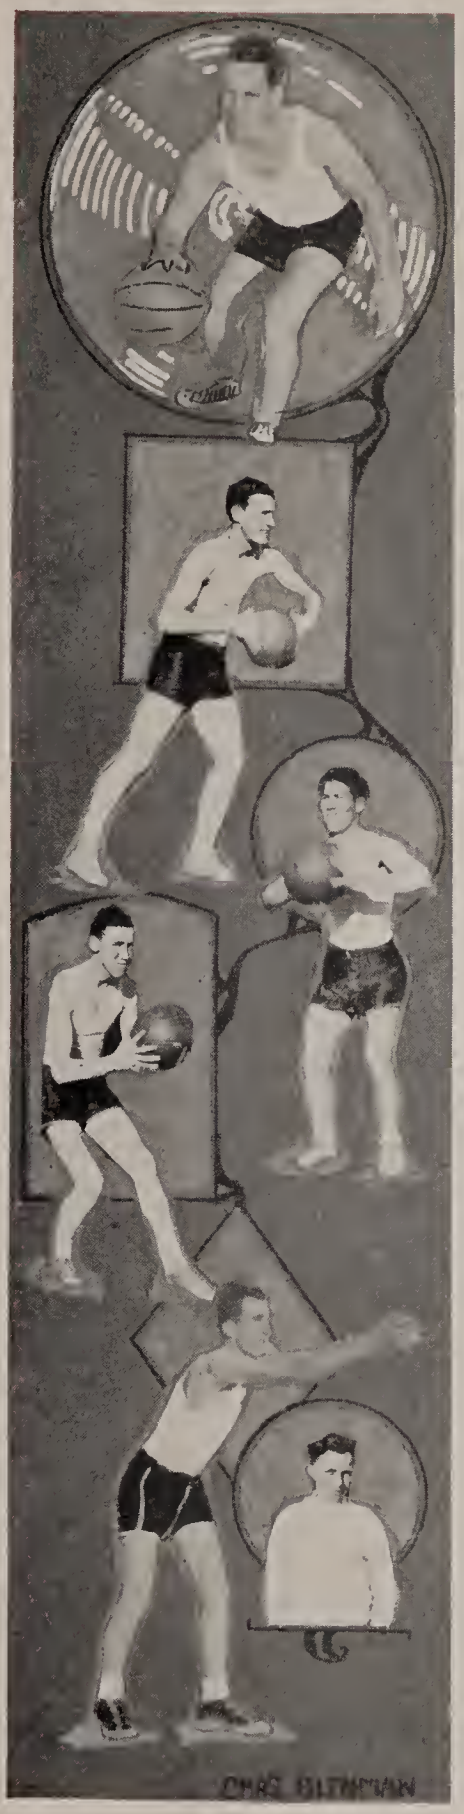
BASKETBALL REVIEW

Till the end of the first semester the Tucson team was unbeatable, but the loss of three men weakened the team so that five games were dropped before the season ended. The high-point game of the year was the defeat of Phoenix by a one point margin, 24-23. Tucson was eliminated in the second round of the State Tournament by Miami. That team eventually was defeated in the finals by Phoenix, 18-17.



Capt. Tom Caid, Forward. Tommy led his team in a creditable manner through a very successful season. He proved to be a fine leader, and it is to be regretted that he will not return next year.

Howard Abbott, Forward. Howard had a basket eye htat never failed him. He was high point man in almost every game this year.

Arthur Caid, Guard. "Butch" played his usual stellar game this year. He was one of the brainiest guards in the State.

Clarence Wollard, Center. "Clancy" helped Trammell take care of the center position. He had great speed and endurance, and never seemed to tire.

James Weinzapfel, Forward. "German" made his second letter in basketball this year. His speed and ability made up for h s size, thus making him a very valuable man.

Manager Harold Bivens. Too much can not be said for this efficient little business man, who certainly did his part for the gang.

Byron Mock, Forward. This was Byron's first year on the regular string. He went good this year, and should work wonders next season.

Bruce Knapp, Guard. Bruce was rewarded for his untiring efforts by an honorable mention on the all-state team. He filled in great style that gap left by Nelson last year.

Glenn Trammell, Center. "Dizzy" made his first letter in basket ball this year. He fought his way to honorable mention on the all-state team.

Jack Anderson, Forward. "Mechanic" is a three-letter man in this sport. He has inproved greatly since his first year on the team. Jack went like a whirlwind this season.

Fred Van Camp, Guard. Fred took care of his guard position in fine style. He was fast, and could always be depended upon.

Jock

Track

The Arizona State Championship Track Team, coached by Don Van Horne, and captianed by Tom Murphy, retained its title. The well rounded team seems to be one of the best that has ever represented Tucson. Led by the fleet Murphy, the Badgers faced the University of Arizona Freshman tarck team on April 1 and 2. The following Saturday the Badgers clashed with the Coyotes. The following Saturday the Badgers clashed with the Coyotes. Following in rapid succession were the dual meet with Douglas, the Tempe meet, the Greenway meet, and the University Week meet to win the state championship!

Captain Tom Murphy stood head and shoulders above his team mates. Murphy was unbeatable in the quarter mile, breaking the state record during University week. He was aided in the hundred by Kerr, Vawter, and De Wolf. In the quarter Murphy, Young, McClure, and Curtis saw action. Curtis and English, together with Keenan, were the leading men in the half. Farrell, Wall, Lovett, and Brown all ran nice miles. For hurdlers Van Horne had Wollard, Young, De Wolf, McLellan, and Mock. The school colors were borne by Wallace, Pound, and Mock in the high jump. Together with Kusianovich these three also handled the broad jump. For javelin men Tucson had Weimer, who won first in the State Meet, Dameron, Hamilton, Worsley, and Wester. Mann and O'Dowd were among the best in the state in the discus. O'Dowd, Valdez, English, Knapp, and Worsley were the best bets in the shot. The Badgers were strong in the pole vault. This event was handled by Kusianovich, Stowe, Miller, and Wilson.

Baseball

The Badger nine again came through with a good brand of baseball and Coach Andy Tolson's players had a very successful season. The season was opened with a game with Casa Grande. This the locals annexed 9-2. Bisbee was touted to down the Badgers, but the Tucson lads pulled a surprise and showed their ability by turning back the Smelter City boys by the slightly one sided score of 8-3. The last day of March saw the Coyotes and Badgers fighting it out at the lair of the former and the Badgers were sent home on the short end of the 12-3 score. The game with Bisbee scheduled for the following week end was called off and the next game for the team was with Nogales at Nogales on April 14. Nogales paid back the visit on the following Saturday. The last game before the University Week state finals was with Bisbee at the home of the Puma.

Andy Tolson had an exceptionally good team. The season started with the nine lacking a catcher. Henry Valenzuela, former second baseman, stepped into the breach and received until Carrillo was found. Hurling them over were Diego Carrillo, Allen Bland, and Captain Fred Van Camp. On first Maruffo handled everything that came his way with equal ease. G. F. C. White at second was one of the hardest hitting men on the team and besides, was a nice fielder. The brightest light in the infield was Carlos Carrillo at shortstop. His fielding was remarkable and he was one of the leaders with the bat. Ernest Mundhenke played a nice game at third and was a constant threat to opposing pitchers. The field was covered thoroughly by Pacheco, Abbott, and Van Camp when he wasn't pitching. Ready to take any position in the outfield was Bill Lewis, who broke into more than one game and acquitted himself with glory. For an infield substitute Tolson had Clióord Hudson, and assisting behind the bat O. Carrillo was always able to do a creditable bit of receiving. These substitutes were almost as good as the regulars, and Andy never needed to fear when he put one of them into the game.

MISS HARRYETTE SANFORD

MISS NELDA TAFFE

Girls' Athletics

Our efficient girls' athletics directors have made their work in Tucson High School sports more interesting than ever this year. Even keener interest has been shown in the varied program of inter-mural hockey, basketball, baseball, and track. At the early part of the school term the the basketball games were played off with the Juniors being the victors. Hockey was introduced by the proceeds of a well-attended circus. A special dancing class has been formed, and under "Sandy's" direction, the girls have obtained excellent training, and have offered a number of splendid assembly programs .

A great part of the athletics depend largely upon Miss Nelda Taffe. This is her second year in our physical training department and, with the development which she has brought out, we are looking forward to her return.

Any girl taking gym may win her school's letter through earning points for different sports. This point system is organized as the Girls' Athletic Association.

For 800 points a girl receives a large "T", while for 450 she receives a small "T". Every spring a loving cup is given to the Senior having the highest number of points.

One hundred points are given for major sports and fifty for minor. Individual points are given for hiking, track, and dancing. Officers are credited with a few points, as are the sport managers.

Girls' "T" Club

President - - - - - - - Ruth Abbott
Recording Secretary - - - - Ernestine Childs

Girls who have received their T's, either large or small, may belong to the Girls "T" Club.

The purpose of this little organization is to bring these girls together in a social way and to encourage the winners of the small letters to push ahead and earn large ones.

Membership in this club is quite a distinction. Miss Taffe, their excellent advisor, helps to make the meetings interesting and peppy.

FORWARD

In the make-up of this book, we have tried to bring out the thought of truth in a direct yet simple enough way as to be judged readable; to be minutely faithful to the original truths and still keep out of sight of a principal or a principle; to bring out the reflective and non-literary features of these truths; to report in all delicacy these things which are true; to make free use of the phrases which have come our way, and still keep to the story, so free from systematic arrangement that no one need take our word for it.

DEDICATION

Four score and seven days ago our editor brought forth upon this school a new annual conceived in bunk and dedicated to the proposition that all men were created blockheads. We are now engaged in a great consultation testing whether that annual or any annual so conceived and so dedicated can long escape the ash-can. We have come to dedicate a portion of that annual as a final resting-place for those who here gave their reputations that that annual might live. It is altogether fitting and proper that we should do this.

HISTORY OF T. H. S.

We are very sorry to state that there is no history of T. H. S. All history was lost when such offices as the Dean of Girls and the Dean of Boys with several other evil influences, which were thought to be a benefit to the school, were inaugurated. Practically all that is known of the past, besides that Mr. Patterson leaves chewing gum in drinking fountains every morning, is that T. H. S. was started in 1066 by Annie E. Rogers. So if you want a true and fearless picture of flaming youth at its hottest put this book in the bookcase for the next fifty years and then follow these directions: (1) Take out annual. (2) Throw it in the fire.

THE MAY QUEEN

Annie E. speaks. With apologies to Alfred (Tennyson)

You must wake and call me early, call me early, hubby dear,
Tomorrow'll be the dumbest time of all the dumb school year.
Of all the dumb school year, hubby, the silliest, simpering day,
For I'm to be Queen o' the May, hubby, I'm to be crowned with hay.

There's many a black, black eye they say, but none so black as thine
Will be, dear lesser half of mine
Should you fail to call me early on the first o' May.
For I'm to be Queen o' the May, hubby, I'm to be Queen o' the May.

I snore so loud all night, hubby, that I shall never wake
If you do not call me loudly when the day begins to break.*
For I must put on my rouge and lipstick and my garters gay
And my "yard of cheese-cloth" frock for the first o' May.

As I came up the stairs whom do you think I should see
But Wilbur, leaning on the bridge beneath the peanut tree.
He thought of that mean look, hubby, I gave him yesterday,
When he tried to miscount the votes concerning the first o' May.

Mrs. Annie E. Rogers, who is so blithely pictured above, was not only our May Queen this year, but was selected out of six other candidates as our "Badger Bunk" Queen also. Photographs of these six were sent to Hollywood, and there Mrs. Rogers was unanimously selected as the most entrancing, by Lon Chaney. Her chief competitor for the award was Miss Ida Celaya, who was disqualified because her nose did not appeal to Lon.

FEBRUARY

9—Many would-be Patrick Henrys reported to Miss Vail.

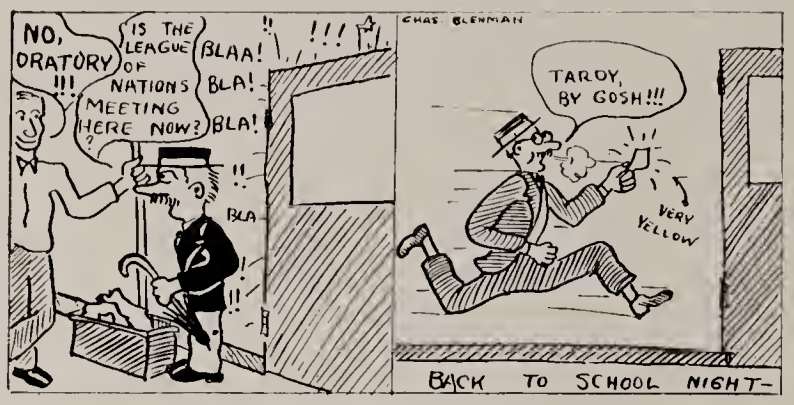
15—Tucson chilled from snow, but T. H. S. heated by Dr. Barker's address.

16—A little snow still left!

20—Parents wandered blankly around the halls—"Back to School" night.

23-24-25—Phoenix carried off the Basketball Tournament Cup.

25—We dropped the Tuc-Hi girls at the Rodeo to sell candy.



MARCH

8—Dramatic Art classes taught us that "Mary Means What She Says."

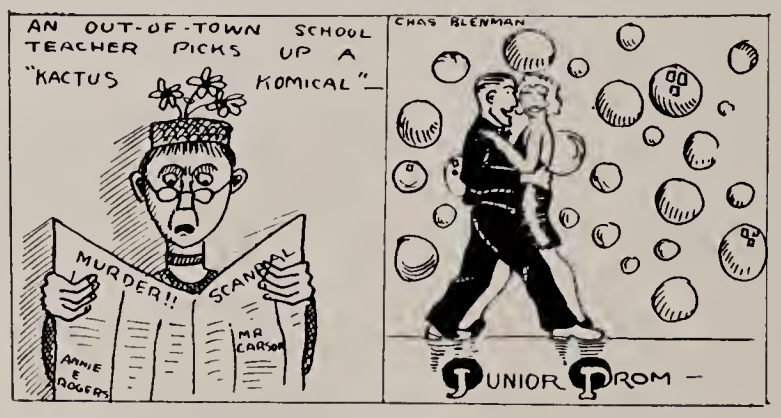
10—Miss Davidson and her debaters showed us at Bisbee that we can talk as well as we can play.

13—Sewell's artists entertained us on board.

15—We were all surprised to read of the big explosion in the Kactus Komical.

17—Amid bowers of green, entrancing music, gorgeous gowns, and a hundred couples—just the "Prom!"

22-23—The entire crew made "The Fortune Hunter" successful.

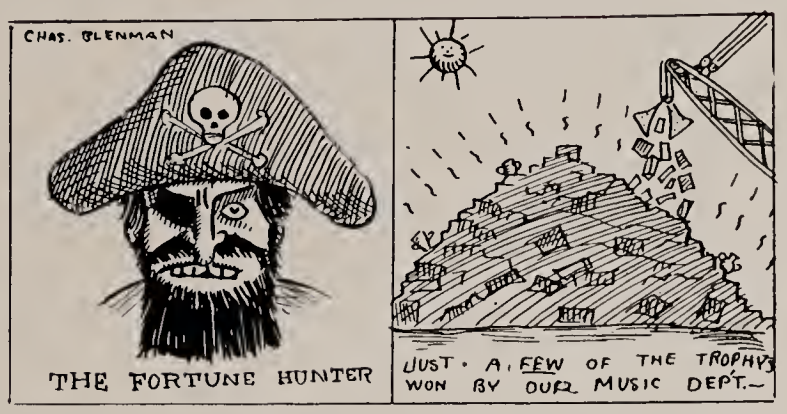


24—Won the first feather in our Baseball hat from Bisbee.

27—Sewell and Utterback combined their efforts to show the public their worth.

29—Seniors walked away with the Oratorical Contest. Had a large number of people there and Katherine Dodge was declared winner!

31—Tucson captured Southern Arizona Music Contest Cup for the sixth time.



31—Debaters won right to represent T. H. S. in University Week by defeating Morenci.
Suffered our first downfall in baseball at the hands of the Coyotes.

APRIL

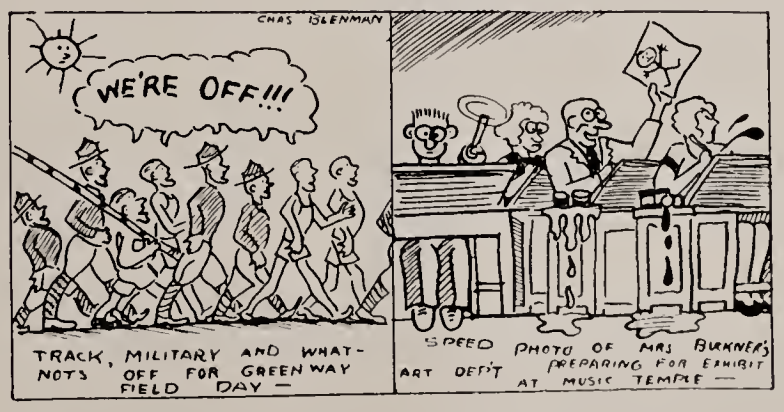
1—Did some big fool try to fool you on April Fool?

6—Byron and Paul won the Constitutional Oratorical Contest.

7—Our crew proved their ability to out-run the Phoenicians.

14—We had an off-day and let Phoenix run away with Greenway Day, and Nogales with the Baseball game.

16—Mrs. Buckner's artists began to prepare for their Art Exhibit at the Music Temple.



19—Senior Tacky Day and a big Assembly. We were certainly glad to meet Miss Kerr, Miss Olson, and the two six-months-old twins!

As our record went to press, we looked on our chart and found that we had the following things to look forward to:

20—A sweet revenge baseball game with Nogales.

21—Douglas-Tucson Track Meet.
Phoenix Baseball game.

26-27—"Peg o' My Heart."
